

Newland Primary School Development Survey

Newland Primary School is being sold by the council. The proposed plan is believed to be to convert the old school into shops on the ground floor and flats above. Possibly the rest of the site will become a car park. It is not known yet if the school has really been sold but there is a small chance that the local community can delay the sale by registering the site as an Asset of Community Value. This is legislation that enables local people 6 months to come up with an alternative proposal for the site.

Ideas for the school site (not exclusive) might be any of the following or perhaps you have some ideas how the site should be used. **Please circle any ideas that you would support and add your suggestions in the box below. Please delete any that you would not support or feel strongly against.**

Community Hub Community Library Advice Centre Adult Education Centre

Art and Creative Centre Small Studios for artists to rent Shops, Flats and Car Parking

Theatre Community Cinema Rehearsal Studio

My suggestions would be:

The grounds include a small garden and sports area. Should any proposals retain these as assets for community use? **Yes No Please add any comments about the garden and sports area:**

My ideas about the garden and sports area:

What about the Youth Club? Is there a need for a youth club for young people? **Yes No**

My ideas about the youth club:

Optional

Would you be prepared to be involved in seeking to register the site as an asset of community value? You need to live in the local area and be registered to vote. Please write your name, address, telephone number and email address so we can be in touch.

Name.....

Address inc Postcode.....

Telephone..... Email.....

Would you like more information about Assets of Community Value **Yes No**
